

TD Banknorth New Ipswich, New Hampshire

Owner: TD Banknorth National Association
Location: NH Route 123
Surveyor: Promised Land Surveying
Architect: Hamilton Architects
Engineer: Northpoint Engineering, LLC
Designed: 2005
Status: Constructed 2006

TD Banknorth was looking to expand their New Ipswich branch office located on NH Route 123 and 124.

The site improvements included removing the existing vestibule, building an addition to the front of the existing bank, site drainage and grading, new sidewalk and landscaping improvements. Northpoint provided all civil engineering services for this project and secured local permits.
