

Zion Hill Road Subdivision Northfield, New Hampshire

Developer: REI Land Development, LLC
Location: Zion Hill Road, Northfield
Surveyor: Richard D. Bartlett & Associates, Inc
Engineer: Northpoint Engineering, LLC
Designed: 2005
Status: Constructed 2006

This project was a five-lot subdivision located on Zion Hill Road in Northfield. As part of the subdivision, roadway and drainage improvements were constructed along Zion Hill Road and nearby Forrest Road. Northpoint performed a watershed drainage analysis and design of approximately 1000-feet of roadside drainage improvements.
